Date Release:
March 10, 2026

Register Today for the STARS Spring Equinox Silent Auction!

Spring is almost here, and with it comes one of our favorite ways to support the animals – the STARS Spring Equinox Silent Auction, running March 20 – March 27, 2026.

This exciting online auction is filled with something for everyone. You'll find a wide variety of beautiful gift baskets, experiences, and unique items for both people and pets. From pet supplies and treats to home goods, gift certificates, themed baskets, and special surprises – there are plenty of wonderful things to discover while supporting a great cause.

Every bid placed helps provide the care our shelter animals need while they wait for their homes. Funds raised help support medical care, food, enrichment, training, and comfort items for the dogs, cats, rabbits, guinea pigs, and other animals at Stratford Animal Control.

Through the partnership between Stratford Animal Rescue Society (STARS) and the shelter staff, these funds make it possible to go above and beyond basic care so animals can heal, learn, and thrive while they wait for adoption.

Our new online bidding platform makes it easier than ever to participate. Once you register, you can:

- Bid from home
- Receive notifications if you're outbid
- Get alerts when the auction is about to close
- Check out quickly and securely

Whether you're bidding on something special, picking up a gift, or simply supporting the animals, every registration and every bid helps.
